**Dates:** Oct., Nov., Dec., 2013

**This report represents examples of WVUA/WUOAs commitment to community service and responding to the needs of the community. It is not exhaustive of all the efforts the station takes to respond to the community’s needs. Our First at Four news program features members of the community every day talking about events, charities, issues, and concerns. This constant stream of viewers coming into the television station is one way we are able to ascertain the needs of the community. We also ascertain those needs through regular contact with civic and government leaders and participation by our staff in numerous community organizations and events and with the school systems in the area. In addition, the station runs a full complement of public service spots designed to assist civic or charitable organizations in need or to share their important messages to our viewers.**
