This report represents examples of WDVZ’s commitment to community service and responding to the needs of the community. It is not exhaustive of all the efforts the station takes to respond to the community’s needs. We also ascertain those needs through regular contact with civic and government leaders and participation by our staff in numerous community organizations and events and with the school systems in the area. In addition, the station runs a full complement of public service spots designed to assist civic or charitable organizations in need or to share their important messages to our viewers.
