## QUARTERLY ISSUES/PROGRAM LIST

WOHZ-CD

MANSFIELD, OHIO

Date: July 10, 2017

Period Covering: April 1, 2017 to June 30, 2017

Prepared by: Robert Meisse, General Manager  
Jay Jackman, News Director;

We address community issues on our "Focus on North Central Ohio" program aired Monday evenings at 11:00 PM. Attached is an "Issues Report" on the programs which addresses specific community issues, needs and interests.

Specific issues which we feel are of specific importance get additional special attention. Public Service announcements are used to inform our viewers on a variety of issues. A list of just some of the PSA's aired on WOHZ is attached. We air several public service announcements per month, rotating the library.

During each issues period we ascertain the issues and problems of our area with ongoing community leader contacts. These contacts are made by WOHZ management level personnel in the normal course of business, as well as our extensive involvement in community projects, organizations, and activities. The issues determined to be significant are covered through our public affairs programming as outlined above.
