Quarterly Issues Programs List
October 1, 2019 – December 31, 2019

Section 1 - ISSUES

Townsquare Media provides its listeners with programming and public service announcements that address issue of concern to our local community. The stations have identified the following issues as significant issues facing the community this quarter.

- Abortion/Politics: Health and the legal definition of life continues to be a debated issue on a national and local level.
- Gun Rights: Gun rights continue to be important to Idaho residents as those rights are frequently discussed in media.
- Jerome Government / Economy: Jerome may not be as big as Twin Falls, but it is seeing its fair share of growth and development. What can residents expect as the area continues to grow? And who influences decisions that impact residents and what interests do they serve?
- Medical Marijuana: As neighboring states continue to allow for more marijuana use, Idaho lawmakers look to our own policies as new proposed legislation is drafted for medical use
- Social Issues / Racism – As social sensitivity continues to rise, Idaho faces the question as to whether or not it's appropriate to consider having an official language for all government operations. This discussion is being had at a national level so it naturally takes on a local context.
- Travel and Weather: Changing season means increased travel and worsening winter driving conditions. The Magic Valley is vast and the commute from city to city is often impeded by road construction and weather related road closures.

Section 2 – Responsive Programs

Section 2 lists regularly scheduled and special programs that represent the station's issue-responsive programming, providing the most significant treatment of the issue listed above for the calendar quarter.

ON AIR DISCUSSION AND DEBATE: Between 6-10am M-F, Live/Local Morning Talent discuss area issues and allows listeners the opportunity to call in and discuss the impact on the community. Local officials are also recruited to take part in these discussions.

NEWS COVERAGE – Local Morning News produced by Townsquare Media Twin Falls' News Department, including reporting of Current Events and late breaking news.

Date	Issues	Synopsis	Duration
10/19/2019	Medical Marijuana / Gun Rights	<p>State Senator Lee Heider: talked about some of the legislation he was working on or involved with for the upcoming legislative session for 2020. Some of the issues include marijuana laws, including the use for medical purposes. Also, the topic of gun rights was brought up and he challenged an effort to approve constitutional carry within the state. On other local issues another bridge across the Snake River Canyon has come up again and again in conversation within various interested circles.</p>	32:00
11/10/2019	Travel and Weather	<p>Idaho State Police Sgt. Mike Wentler brought up the issue of changing weather as it got colder and urged people to prepare for unexpected weather. He said people should slow down in any case of changing weather, especially fog, which hit the Magic Valley area at the time of his visit. He said it was important for drivers to also make themselves visible by turning on their lights. Also, the trooper said people should make sure they carry the proper gear just in case they get stuck in adverse weather.</p>	27:00
11/24/2019	Government / Jerome	<p>Jerome County Commissioner John Crosier brought up the fact that the three part-time commissioners sit on a large variety of boards within the Magic Valley that serve various public interests. Some of the boards include solid waste, police dispatch, public health, transportation, court services, and more all the while holding businesses of their own that they have to manage.</p>	25:00

12/8/2019	Conservation	<p>Idaho Department of Fish and Game Regional Fish Manager Mike Peterson</p> <p>an introduction to the Magic Valley for the newest manager for the area. Peterson is a native of southern Idaho and came back to take the position of regional manager for the area fisheries in the Magic Valley. He gave an overview of the various fishing spots, the current conditions that they were in and what fish were available. He also touched on some larger issues like the current state of endangered salmon populations and the challenge Idaho and other states face in the species survival. Also, he reminded the audience of several poaching incidents that took place and the need for public help in catching the people responsible.</p>	31:00
12/15/2019	Social Issues / Racism	<p>Pro English representative Steven Guschov</p> <p>talked about the issue to make the English language the official language of the United States of America. As it stands, the county does not have an official language designated by congress, even though English is the common language of the country. Guschov pointed out his group's goals was not to prohibit the use of other languages in the county, but to make English the official language of all government operations. He shared the significance of the English language and its use around the world and its importance to American heritage.</p>	27:00
12/22/2019	Abortion / Politics	<p>Representative Christy Zito</p> <p>shared her support to abolish abortion in the state of Idaho with a bill that is expected to be introduced during the upcoming legislative session in 2020. Rep. Zito says the bill would treat abortion the same as murder and the mother could be charged. She and several other law makers have thrown their support behind the bold legislation.</p>	26:00
