

The Homelessness Radio Project 1st Quarter 2021

Homelessness in the Albuquerque and middle New Mexico area, including Grants and Santa Fe, is a severe community problem. Presently, it is estimated that at any point in time, about 1,500 people are homeless in the Albuquerque area alone. At this writing, the Covid-19 virus is devastating the homeless community in our area.

Founded by Dr. Jeremy Reynolds, **Joy Junction** is an independent, non-government funded emergency homeless shelter that has provided services to the homeless since 1986. Each Sunday morning from 7 till 8, we interview Joy Junction CEO Elma Reynolds to educate listeners about issues of the homeless and solutions which Joy Junction and others are implementing.
