Throughout the day, we air the Community Calendar, a feature that highlights upcoming local events taking place in our listening area. During this reporting period, the Community Calendar

aired approximately 74 times.

Listener comments are solicited on the air through public service announcements. The comments received are transcribed and distributed to all managers and staff throughout the company for review and response. These listener comment announcements air, on average, 650 times each quarter on this station.

This station airs the Nebraska Family Alliance Daily Spotlight, which covers topics relevant to local and nationwide issues, such as human trafficking, marriage and family, parenting, education, prayer, religious liberty, adoption, gambling, etc. The program airs at 2:26 p.m. Monday - Friday.

PROGRAM: Nebraska Family Alliance "Daily Spotlight" – 2½ minute program airs at 2:26 p.m. Monday-Friday

SYNOPSIS: Discussion of topics relevant to local and statewide issues such as human trafficking, marriage & family, parenting, education, prayer, religious liberty, adoption, gambling, etc.

The Bott Radio Network News Update is a daily feature that covers topics of interest to our listeners and their communities that are usually missed by the general news coverage of the day. The Update covers a variety of important issues including politics, education, health care, religious freedom and many others. The Update airs at least twice each day, seven days a week on this station.

Please note that programs listed on this cover page that show multiple times contain the same program content. For example, Focus on the Family's program airs at several times throughout the broadcast day, but the program is always a repeat.

Program: Encounter – Special Edition

Issue: Special Encounter // Mark Houck

Synopsis: Mark Houck has served as a sidewalk counselor in front of abortion clinics for more than 20 years. In October 2021, while standing outside a Philadelphia Planned Parenthood clinic, he and his 12 year-old son were harassed by a clinic escort, who persisted in confronting Mark's son and spouting expletives. After repeated requests to back off, Mark pushed the volunteer away and the volunteer fell. The Philadelphia Police Department and prosecutor determined that no charges would be filed. The volunteer later filed a complaint that was eventually dismissed. Fast forward to September 23, 2022, and Mark and his family, who

live two hours outside Philadelphia, were awakened by a large contingent of heavily armed FBI agents and Pennsylvania state troopers, as a result of a federal grand jury indictment for two counts of violating the FACE Act. This is a story of extreme government overreach, and you'll want to hear how the story ended.

Program: Encounter – Special Edition

Issue: Special Encounter // Dr. Ingrid Skop and Katie Glenn Daniel

Synopsis: Last November the Alliance for Hippocratic Medicine (<https://allianceforhippocraticmedicine.org/>) filed a lawsuit against the U.S. Food and Drug Administration (FDA), challenging their approval of the abortion drug mifepristone, also known as RU-486. The lawsuit alleges that the FDA, among other things, failed to abide by its legal obligations to protect the health, safety, and welfare of girls and women. The FDA never studied the safety of the drugs under the labeled conditions of use, ignored the potential impacts of the hormone-blocking regimen on the developing bodies of adolescent girls, disregarded the substantial evidence that chemical abortion drugs cause more complications than surgical abortions, and eliminated necessary safeguards for pregnant girls and women who undergo this dangerous drug regimen. Dr. Skop and attorney Katie Glenn Daniel discuss the lawsuit and its implications.

Issue: American's Unhealthy Behaviors are a Matter of National Security - with Chad Robichaux

Synopsis: Chad Robichaux is our guest, today, on to talk about the dwindling pool of eligible recruits for our military. America's epidemic of unhealthy behaviors, body and mind, are leaving our military branches without the applicants they need. We need a strong spiritual emphasis to turn the culture in the right direction. With American's once again believing that the body is a temple, we can start turning our behaviors around and building healthier, stronger bodies in the process. Only then will we have a once-again ready military.
