Length of Program	30 mins
Age of Target Child Audience	13 years to 16 years
Describe the educational and informational objective of the program and how it meets the definition of Core Programming.	Whaddyado is a valuable resource for teenagers as it exposes them to real life situations with the goal of educating, informing, inspiring and entertaining teenagers as they make the transition to young adults. This program provides an excellent opportunity for teenagers to learn life lessons they likely are otherwise not open to receiving from parents and authoritative figures. The reenactments give the audience the opportunity to develop important lifesaving skills by exposing them to perilous situations and showing the proper reaction if they someday are faced with the same scenario.
