Subject: 1st Quarter 2021: CW Television Network Teen/Young Viewer Programming

Below is a list of Q1 2021 CW Teen/Young Viewer Programming for your public files.

Statement:

This statement is designed to furnish you with additional information concerning the commercial matter contained in the network's teen/young viewer programs, and to enable you to more easily comply with the requirements of the Children's Television Act of 1990.

The following is a list of all CW Television Network programs which were produced and broadcast with the intention of primarily reaching an audience of young viewers between thirteen and sixteen that were scheduled for broadcast during the first quarter of 2021.

1st Quarter 2021 – CW Teen/Young Viewer Programming

Program: Best Friends Furever with Kel Mitchell (E/I)

Rating: TV G

Length: 30 min

Series Description:

Best Friends FurEver with Kel Mitchell is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. This series reveals the true stories of dogs who are best pals not only with humans, but with a variety of different animal species. In each episode, we explore the improbable bonds that dogs have formed with birds, reptiles, ducks, and even dolphins! Along the way, we examine the fascinating characteristics of various breeds and species that allow these unique relationships to thrive. From dog psychology to animal behavior theory, viewers will learn about what makes our furry friends tick, all while celebrating the idea that friendship comes in many different forms

Program: Jack Hanna's Into the Wild (E/I)

Rating: TV G

Length: 30 min

Series Description:

Jack Hanna's Into the Wild takes viewers on excursions around the world through the eyes of America's most beloved animal adventurer and his family. More than just a collection of animal escapades, *Into the Wild* provides insight into the protection and conservation of some of our planet's most precious and endangered species. *Into the Wild* is unscripted and action packed – it takes you on a raucous ride, leaving you with a renewed appreciation for all creatures, great and small.

Program: Tails of Valor (E/I)

Rating: TV G

Length: 30 min

Series Description:

Tails of Valor, hosted by Kel Mitchell, is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. *Tails of Valor* captures the incredible true stories of the service animals working to change people's lives. From family and friends to animal trainers, we'll explore how these animals are readied to serve and how they not only change the lives of their owners and handlers, but also of those around them. We'll also examine the life science behind these relationships, including the animals' unique and powerful senses that enable them to protect their human charges. From service animals for children on the spectrum to service dogs for wounded veterans, **Tails of Valor** will educate viewers on the day-to-day jobs of these incredible animals and the quality of life they provide the people they serve, leaving them with a greater compassion for animals. Viewers will learn to see the world from different perspectives, and how those with disabilities experience everyday life and the challenges they face.

Program: This Old House: Trade School (E/I)

Rating: TV G

Length: 30 min

Series Description:

This Old House: Trade School is a celebration of vocational education in the field of home improvement. Hosted by Kevin O'Connor, *This Old House: Trade School* is an informative series that follows two residential construction projects from beginning to end. Each week, audiences will learn step-by-step instructions in various building methods and disciplines such as architecture, engineering, carpentry, plumbing, masonry, landscaping design, construction and many more. **This Old House: Trade School** will also teach viewers about the tricks of the trade, first-hand from industry experts and professionals, as they renovate and restore entire homes.

Program: The Open Road with Dr. Chris (E/I)

Rating: TV G

Length: 30 min

Series Description:

The Open Road with Dr. Chris is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. **The Open Road**

with Dr. Chris follows Dr. Chris Brown around the world to visit some of the most beautiful, and sometimes bizarre, places, people, and animals. Exploring international destinations, Dr. Chris will uncover some of the best kept secrets of the region – from indigenous traditions transformed by modernity to diverse wildlife across the globe. The series hands viewers a passport to adventure they'll never forget, and sometimes may find hard to believe. Each episode of **The Open Road with Dr. Chris** delivers not only a carefully crafted mix of environmental, cultural, and wildlife interest stories, but also educates viewers on a range of local customs and geographical landmarks.

Program: Ready, Set, Pet (E/I)

Rating: TV G

Length: 30 min

Series Description:

Ready, Set, Pet is a live action, half-hour television program designed to meet the educational and informational needs of children aged 13-16. Hosted by Phil Torres, this series will educate and inform teens and their families about pet adoption, responsible pet ownership, and the importance of a green space for pets. Each episode, Phil will guide a family through the pet adoption process after a careful look at their unique situation to help them make an informed decision in finding the right pet for their lifestyle. While the family visits local shelters and rescues, experts revitalize their outdoor space to make a safe and eco-friendly home for their new pet. In the end, viewers will see family members overcome their disagreements and make the tough decision on which pet will join the family. **Ready, Set, Pet** will teach viewers that thoughtful preparation is key when learning to care for an animal's needs.
