Fac Id: 3660

Dear Licensee:

This refers to the above mentioned application dated December 26, 2017, requesting further extension of your authority to operate at variance. You indicate that Pursuant to the Commission's Spectrum Auction, KLBK-TV is a channel changing repack television station with a Phase 1 completion date of November 30, 2018. In order to conserve resources and avoid consumer confusion and broadcast outages, Nexstar proposes to continue use of the temporary antenna until the KLBK-TV transition is completed by or before November 30, 2018.

Upon review of your extension request, it is evident your efforts are directed toward enhancing the operating efficiency of KLBK-TV. Accordingly, pursuant to sections 73.1560 (d) and 73.1635 of the commission's Rules special temporary authority to operate at variance is EXTENDED until August 23, 2018.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding".
