Dear Licensee:

This refers to the above mentioned application dated April 6, 2017 requesting special temporary authority to operate at reduced effective radiated power (ERP). You indicate that Nexstar Broadcasting, Inc. ("Nexstar"), was forced to reduce its normal operating power from 1000 kW by 50% to 500 kW due to an RF Combiner failure

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on October 13, 2017.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in black ink that reads "Kevin R. Harding".
