

*As you can see, the programming carried on KCRO is often of a nature that is intended to help and inform people.*

*KCRO airs weather forecasts from meteorologist Matt Duncan. It also carries regular newscasts from SRN news. The Emergency Alert System can break in to regular programming with important information from the National Weather Service. Severe weather season is just around the corner and local broadcasters play an important role in keeping the public informed in dangerous situations.*

*Thank you for taking the time to read this Quarterly Report.*
