Gallion City Schools has been named a recipient of a \$20,000 grant from the Share Our Strength's No Kid Hungry Campaign.

The purpose of the grant is to support the department's critical work in ending childhood hunger. The Gallion Food Service department plans to use the grant funding to help offset the costs of several programs, as well as additional requirements to keep feeding students during the pandemic. The schools are planning to use some of the funds to help offset expenses from expanding the department's use of technology and make improvements to the Summer Meal Bus.

After nearly a year of dealing with the COVID-19 pandemic, one of two vaccines that have been produced have made it to Crawford County. Kate Siefert, health commissioner for Crawford County Public Health, said that last Wednesday, a handful of public health nurses kicked off the morning by rolling up their sleeves to receive their first dose of COVID-19 vaccine. They were quickly followed by several members of the local fire & EMS departments. She said Crawford County Public Health received one box of the Moderna vaccine on Dec. 21 and quickly organized a clinic specifically for fire and EMS as outlined in Ohio's phased approach. Ohio has established a phased approach to distribute vaccines while supply is limited.

Ohio State Highway Patrol troopers charged a 64-year-old Mansfield man with operating a vehicle under the influence for the seventh time. The driver, Gary Papst, was pulled over last week, for a lanes violation in the Village of Lexington. Papst was attempting to pass another vehicle and drove partially on the sidewalk. During the traffic stop, troopers determined Papst to be under the influence of alcohol. Field sobriety tests were conducted and Papst was arrested and charged with OVI. It was determined that Papst had been charged with OVI six previous times in the last 43 years. Papst was released to a sober party following the arrest.

AAA expects the vast majority of Americans to stay home this holiday season. Public health concerns and travel guidance are influencing their decisions not to travel over the year-end holidays, a period that typically sees high demand for vacations. After 11 years of year-end holiday travel growth, AAA predicts 1.4 million fewer Ohioans will travel between Dec. 23 and Jan. 3, a decline of at least 30% in Ohio from last year. The CDC urges Americans not to travel for the holidays this year, warning that travel increases your chance of getting and spreading COVID-19.

The Chad Durham family loves to light up their house for the holidays. It takes several days, but when the last electrical cord is finally plugged in, the home at 844 Rogers Street in Bucyrus glows with an array of new and vintage Christmas decorations. Inside and out, on the ground and on the roof where Rudolph guides Santa's sleigh up into the night sky. The showstopper of the two-story home is the waving rooftop Santa, sleigh and reindeer, which are supported by a 12-foot long wooden frame that Durham custom-built, secured with iron pipe to hoist the reindeer overhead. A leg lamp from the classic holiday movie "A Christmas Story" lights up the picture window.

Bucyrus Mayor Jeff Reser released an update this week on the progress of the Norton Bicentennial Park project. According to Mayor Reser, the city has an agreement to purchase and is raising funds to acquire the Home City Ice Plant and they are now doing the Phase One study. He went on to say that after months of trying to purchase the Freddie's Restaurant property, which is owned by City Council President Kurt Fankhauser, that the property had sold and the closing was on Wednesday of this week. The Mayor expressed that this was bad news because he feels the area would look better without this eyesore and the city would be better to have a more complete park on this site. The Mayor also says he welcomes a new business that will fix up the building, even with the severe floodway restrictions.

Richland County has moved to Level 4/Purple the highest level in the Ohio Public Health Advisory System for COVID-19. Richland County is one of eight counties that were either Purple last week or were on the watch list. The Purple level indicates severe exposure and spread of coronavirus and the recommendation to only leave home for supplies and services. It does not curtail businesses or the need to report to work. All Ohio Counties remain listed for High Incidence of COVID-19 spread. All counties had active cases of coronavirus at or over 100 cases per 100,000 population.

Crawford County remains orange this week.

Members of the Rotary Club of Bucyrus and the Bucyrus Kiwanis Club have teamed up to provide an opportunity for children to see Santa this year. While Santa's house remains closed to protect him and Mrs. Claus, the groups hope this chance to see and wave at Santa warms the hearts of children who otherwise can't understand the limitations that Covid-19 has placed on events such as Santa's arrival.

The parade will kick off from Bucyrus High School at 10 a.m. on Saturday, December 12, and end at approximately 10:45 a.m. at Family Farm & Home. This will be a very simple parade that consists of Santa on a Fire Truck, escorted by the police department.

A statewide wastewater monitoring effort has indicated that COVID-19 cases may be increasing in the Bucyrus community. Crawford County Health is asking residents to be on alert and remain vigilant in their efforts to social distance, wear face coverings, frequent hand-washing and staying home when not feeling well.

Recently, levels in the Bucyrus community wastewater increased 2.5 times in just four days, from 430,000 Million Gene Copies on November 18 to 1,100,000 MGC on November 22nd. Research has shown that non-infectious RNA from the virus that causes COVID-19 can be detected in wastewater in a community as many as three to seven days before symptoms and infections begin.

Bucyrus Mayor Jeff Reser sent an email to elected officials yesterday informing them that there has been an outbreak of COVID-19 among city hall workers and they have doubled down on their efforts to slow the spread of the disease which is widespread in the community.

He went on to say the city has established new protocols at city hall to keep employees distanced and as safe as possible. The mayor asked that the elected officials respect the Emergency Declaration and put aside any of their personal feelings for the greater good and safety of the community. Recently the Mayor has had opposition to the closing of the city building by City Council President Kurt Fankhouser. Fankhouser sent a letter to the mayor saying if he refuses to reopen City Hall the council may look into any legal means it has to over-ride his decision to keep city hall closed.

Local law enforcement agencies have a plan in place to ensure continuity of services in the event that COVID affects their employees. According to Crawford County Sheriff Scott Kent, eight employees were off work due to COVID-19 as of Nov. 17. Kent said his staff is diligent about cleaning and disinfecting while on patrol as well as inside the Crawford County Justice Center.

Kent reached out to the Crestline Police Department to secure dispatch coverage if needed. The Crestline Police Department recently hired a part-time officer to replace one that is leaving and at full staff. The part time officer is in a position to help other departments, as needed, due to the COVID-19 pandemic.

Governor DeWine announced this week that the Ohio Department of Health is issuing a 10 p.m. to 5 a.m. statewide curfew that began last night. The curfew will be in effect for 21 days. The curfew will not apply to those going to or from work, those who have an emergency, or those who need medical care. The curfew is not intended to stop anyone from getting groceries or going to a pharmacy. Picking up carry-out or a drive-thru meal and ordering for delivery will be permitted, but serving food and drink in person must cease at 10 p.m.

The decision to impose a 21-day curfew was made with input from the medical and business communities with consideration to the economic and mental health impacts that another shutdown could cause.

A groundbreaking ceremony was held by the Crawford Park District immediately following the district's latest monthly meeting for the Sandusky Headwaters Nutrient Reduction project. The project is funded through the H2Ohio project that was passed by the Ohio General Assembly in 2019.

One of the goals of H2Ohio is to reduce nutrient loads that enter Lake Erie, which contributes to harmful algal blooms that severely impact water quality for the lake and the surrounding communities.

The Crawford Park District's project will include the creation of three acres of wetlands and the installment of native pollinator-friendly plants. Located along the headwaters of the Sandusky River, this project will be part of the first line of defense in reducing nutrients before they enter our Great Lake.

The Community Foundation for Crawford County will join in a nationwide celebration, Now thru Nov. 18 to recognize the increasingly important role these philanthropic organizations play in fostering local collaboration and innovation to address persistent civic and economic challenges. Community Foundation Week was created in 1989 by former President George H.W. Bush to recognize the work of community foundations throughout America and their collaborative approach to working with the public, private, and nonprofit sectors to address community problems.

Established in 1984 with the generous help of the Timken Foundation, The Community Foundation for Crawford County bridges philanthropy with causes that improve Crawford County's quality of life.

OhioHealth has made a \$1 million investment to expand health care services for Crawford County residents with a commitment to creating a new "model of care." The announcement was made during a ribbon-cutting ceremony Tuesday for OhioHealth's new Physician Group practice in Gallon, located at 745 Carter Drive in the Discount Drug Mart Plaza. OhioHealth also plans to open an urgent care facility in Bucyrus later this year, adding a combined 20 new jobs to the workforce.

Winson Yates, president of OhioHealth Mansfield Hospital and Shelby Hospital, said that Columbus-based health system – the region's largest health care provider – is focusing not only on health and wellness services but is also striving to be "the provider of choice" for Crawford County residents.

In years past, students and staff in the Gallon City Schools would welcome veterans into their buildings to deliver speeches, enjoy a student musical performance, create an American Flag, and many other experiences designed to show appreciation for their honored guests. This year because of Covid 19 restrictions they can no longer do that. So Gallon Middle School students and staff produced a "Thank You" video for veterans that will be shared with the many veteran groups and assisted living facilities in Gallon. Intermediate School students and staff observed a momentary pause in the school day to remember veterans and hear about the importance of Veterans Day. Students throughout the district proudly wore red, white, and blue during the school day on November 10.

This week voters in the Galion City School District approved the district's renewal levy for the fourth time since 2001. The levy is not a new tax and will continue to provide \$1.2 million to the district annually, which represents 5.7% of its general fund operating budget, for the next five years starting in 2021. The renewal levy helps the district maintain its current level of operations.

With its passage, the district will be able to support current staffing levels, 1:1 technology, transportation that exceeds state minimums, smaller class sizes, and access to the latest curriculum.

Robert W. Skaggs, currently incarcerated at the Crawford County Jail, pleaded guilty in Crawford County Common Pleas Court to violating the terms and conditions of his community control.

In July, Skaggs was placed on five years of community control after he pleaded no contest to possession of drugs.

In September, during a routine drug screen, he tested positive for meth. His bond was revoked, and he was taken into custody where he has remained.

Skaggs was sentenced to 12 months in the Crawford County Jail. He will receive credit for all jail time served and will be permitted to apply for judicial release after six months served.

Due to upgrades in the radio system and public alert notification procedures, Crawford County Emergency Management Agency and the Crawford County Sheriff's Office has taken complete control of Crestline's tornado siren activation responsibilities.

The Tornado Sirens will be activated for a short period of time at noon every Friday.

If there is inclement weather in the area, then the test will not be performed to distinguish the difference between a test and an actual emergency situation.

Early voting begins today with voters being required to wear a mask and come to the Board of Elections office in the lower level of the Crawford County Courthouse.

Voters will cast their ballot on a voting machine, the same ones used on Election Day, during regular business hours of the Board of Elections which are 8 a.m. to 5 p.m. Monday through Friday.

You will need to have a state ID or driver's license to vote. If you don't have either of those, you need to bring a government document or current utility bill that shows your correct name and address.

Bucyrus might be getting bombed in the next few weeks. With bulbs, that is. The Earth, Wind and Flowers Garden Club is spearheading a fall project to plant 10,000 daffodil bulbs around town. The idea is to celebrate the city's Bicentennial, which kicks off New Year's Eve, as well as recognize the 35th anniversary of the garden club.

The shipment of bulbs is due to arrive in mid-October, with planting scheduled in stages. An "approach planting" is tentatively set for the week of Oct. 22

Bucyrus lost a legend Tuesday morning when Dr. Don Wenner died at his home under hospice care. A little over a month ago Dr. Wenner celebrated his 100th birthday. Services for Dr. Wenner are pending and will be private due to many family members arriving from other states and today's health concerns.

A tree will be planted by The Kiwanis Club in his honor on October 15th along the new bike trail.

With more than 6,500 work zone crashes in Ohio last year and increasing numbers this year, the Ohio Department of Transportation is collaborating with the Ohio State Highway Patrol to make work zones safer. ODOT and the OSHP Aviation Section have identified nearly a dozen locations where troopers will target crash-causing violations like speed, following too close, and failure to move over.

These locations were selected due to a history of crashes, higher speeds and the type of barrier used to separate traffic from workers. Signs posted along the highway will alert drivers about the increased enforcement efforts.

The Galion Intermediate School fifth grade teachers and students will conduct their seventh annual "Socktober" fundraiser Oct. 1 through Oct. 31.

Students who donate one pair of socks each week can wear jeans each Friday, and students who donate two or more pairs of socks each week can "dress down" based on the total pairs of socks they donate each week.

The goal this year is to exceed their 2019 collection total and collect over 1,600 pairs of new socks to donate to a local homeless shelter.
