Re: Notice of Informal Complaint
(Mitchell) (Dish Network and KDFI-TV)
Case No.: 13-C00533208 (SK)

Dear Ms. Kimmel:

NW Communications of Texas, Inc., the licensee of KDFI, Dallas, Texas ("KDFI"), hereby responds to the Notice of Informal Complaint, as identified above, dated November 20, 2013 ("NOIC"), which was generated by a Disability Access Complaint ("Complaint") filed by Julia Mitchell.

Ms. Mitchell asserts in her Complaint that the syndicated programming on Sunday, October 20, 2013 from 6:00 pm-9:00 pm broadcast by KDFI and viewed via her Dish Network subscription did not contain captioning.

KDFI reviewed the air-check recordings of its syndicated block on October 20, 2013 during those three hours, and the captioning was functioning properly. KDFI cannot guess as to what caused the failure of the closed captioning when viewed by Ms. Mitchell through her Dish subscription. KDFI can only state the captions were present and functioning properly when broadcast.

Please contact the undersigned should you have any questions regarding this matter.

Sincerely,

Joseph M. Di Scipio
