Gentlemen:

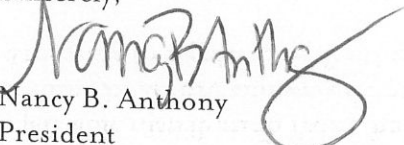

On behalf of the Trustees of the Oklahoma City Community Foundation and all of the organizations in Central Oklahoma that are assisting with the recovery from the tornadoes of May, 2013, I want to thank you for including the Community Foundation's Tornado Recovery Fund as part of your charitable distribution from the Sinclair Relief Fund. We attended the Town Hall meeting last evening in Moore and were impressed with the depth of your interest in the individuals who are struggling to regain their footing and return to normal.

The Community Foundation has worked with more disasters over the past 30 years than we would have liked. As a result, we understand the importance of supporting individuals, families and the community beyond the initial emergency. The recovery effort will involve case management, mental and medical assistance as well as rebuilding the community.

We want to compliment Sinclair for their efforts and thank those donors from throughout the country who have responded to help Oklahoma.

Again, thank you for including us in the distribution.

Sincerely,

  
Nancy B. Anthony  
President
