CERTIFICATION OF DELAYED MEDICAL FACILITY NOTIFICATION

KRDK-TV Valley City, North Dakota

FCC Facility ID # 49134

The undersigned hereby certifies that notifications of facility parameter changes were sent to Medical Facilities within the coverage area of KRDK-TV on Oct 31st 2018.

However, due to a variety of circumstances, KRDK-TV will not complete the FCC-mandated post-incentive auction transition from RF Channel 38 to RF Channel 24 on November 1, 2018 as previously planned.

Rather, on October 22, 2018, KRDK-TV filed with the FCC a request for a legal STA seeking a change from Phase 1 of the transition to Phase 3. Phase 3 opens on April 12, 2019 and ends on June 21, 2019. That request is pending. Under the new plan, KRDK-TV will complete its transition to RF Channel 24 during Phase 3 and will provide appropriate updates and additional notices to Medical Facilities at that time.

Affirmed this 26th Day of Nov, 2018
