**Subject:** Thank you from Penn!

Hi Michelle,

It was great seeing you at the Creative Careers Fair yesterday! I heard from a number of students during and after the fair yesterday who had great experiences. I just wanted to extend a special **thank you** for attending and to offer to make myself available in the future. If you ever need help advertising a particular position or connecting with our students in some sort of way, feel free to let me know!

Thanks again and have a great weekend!

Best,  
Natty
