Quarterly Issues/Programs List Second Quarter, 2023 04/16/2019

KTSM

Quarterly Issues/Programs List

KTSM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- Finances- Information on the GECU VITA program; Discussion on Tax Day and the help available for senior citizens and adult children
- Health- Discussion of local efforts to improve access to nutritious food
- Environmental Issues- Discussion of the locally-based AR Science Fair Climate Change Challenge, a competition for students around the world to help combat climate change
- ullet Military- Information on the upcoming Veteran's Business Association 1st Annual Golf Tournament
- Arts- Discussion of the progress of the newly-named La Nube Children's Museum and Science Center
- Employment- Discussion on how employers may need to react in these changing times in work relations, including making sure they're meeting the demands of their workforce
- Women's Health- Information on important women's health topics, including the importance of an annual well woman appointment
- Media Communications- Discussion of the upcoming HAM Radio Field Day
- Government- Discussion on the recent decisions made by the Supreme Court affecting the local Native American Tribe of the Ysleta Del Sur Pueblo
- Non-Profit- Discission of ongoing summer programs with the YMCA of El Paso including summer camps, sports leagues, and indoor activities and classes

Section I LOCAL PROGRAMMING

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
