KTSM-FM
Quarterly Issues/Programs List

KTSM-FM provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **"Wall that heals"**: This cemetery support group of mainly retired military paid for the travelling Vietnam Memorial Wall to be placed at Ft.Bliss cemetery for the public to view names over 4 days:helps "closure"
- **100 year anniversary**: Mary detailed activities during this year to celebrate the woman's club being founded 100 yrs. ago and the upkeep of their historic building plus a song they purchased about El Paso written by Pat Garret's daughter about 100 yrs. ago
- **2-day STEM fiesta** : This "fiesta" prepares middle & h.s. students for careers in science,tech,engineering & math
- **bike month**: Scott offers the many activities available during May-bike month and the new bike sharing program in downtown EP,plus bike lanes being constructed
- **golf tourney benefit**: Pritchard,CSM retired- leads this YMCA for the armed forces to fund many activities for the troops and for retired military
- **Latino author Ana Castillo's book/visit**: The author from Chicago visited La Mujer Obrera's fundraiser to discuss her book on latino women and culture
- **new approach to support groups**: New cancer support groups to be offered at the foundation involve an innovative approach from the survivor's view
- **new bus routes "BRIO"**: Jay explains how the new bus service on 5 major roads in EP offers express service & amenities and when the additional routes will be completed
- **NM development**: Jerry is in several business assoc. that oversee economic development in NM and especially along its state line with Texas and business is booming!
- **purchase purses to help low income women**: This women's fund group has increased their funding to low-no income women needing better jobs

through this fund raiser involving gently used purses for auction

- **retirement funds:** O'Neill explains how it's best to plan for retirement when you are in your 20's & how much \$ is necessary
- **when project is completed:** Telles explains how the street cars will push economic development as well as providing a good alternative to driving and describes the progress of construction
- **won TX inventor of Year :** Dr. Cox with UTEP came up with patents for new drugs to combat breast and prostate cancer that doesn't involve chemo treatments and was recognized by the State Bar of Texas with the 2016 Inventor of the Year

**Section I
