Public Affairs Programs

RADIO HEALTH JOURNAL: A 30-minute syndicated radio magazine of in-depth public affairs. It looks at economics, government reform, consumerism, education, substance abuse, domestic and child abuse, urban/rural problems, poverty, food safety, etc. Broadcast Sundays at 5:00AM.

GREEN COUNTRY SPEAKS A program hosted by KMYZ on-air personality Chuck Stikl every Sunday Morning at 6:00AM. It tackles a wide range of topics that include charitable organizations, politics, social action, family, the arts and culture, health, family issues, nature and the area we live in.

Quarterly Issues/Programs List

2nd quarter of 2022

KMYZ-FM / Pryor, OK

The following is a list of programs aired that have provided the station's most significant treatment of community issues.

DATE	Time	Duration	Topic	Issue	Description
4/2	6:00	7:22	April is Fair Housing Month in the City of Pryor Creek	Housing, fair housing, discrimination	Mayor Larry Lees talks about April being Fair Housing Month, protecting people from discrimination when they are renting or buying a home, and getting a mortgage, seeking housing assistance.

4/9	6:00	12:29	TIKTOK TICS: CAN SOCIAL MEDIA CAUSE NEUROLOGIC DISORDERS?	functional neurologic disorder; social media; psychology; modeling; chronic tics; Tourette syndrome; covid; pandemic; therapy; anxiety; depression; vulnerable populations	Cases of functional tic-like disorder skyrocketed during the pandemic across the world, and experts believe the culprit is social media. Though classic tic disorders are mostly diagnosed in boys, this condition mainly affects women aged 18 to 21. Our experts explain the cause and how to successfully recover from the disorder.
4/16	6:00	10:46	HOW SAFETY NET HOSPITALS INCREASE ACCESS TO HEALTH CARE	healthcare; Medicaid; Medicare; safety net hospitals; private hospitals; public health system; health insurance; vulnerable populations; patient safety; emergency medicine	Health insurance has long been connected with a person's employment – leaving many without coverage. Safety net hospitals help ensure that anyone who needs medical care can get access to it, no matter their insurance status. Dr. Ricardo Nuila discusses why this model may be more effective than the standard, privatized healthcare.
5/7	6:00	12:36	HOW AI IS THRUSTING US INTO THE FUTURE OF MEDICINE	protein; artificial intelligence; evolution; medical records; patient safety; public health; consumerism; environment; medical technology; biochemistry; viruses	From improving the patient experience to speeding up protein evolution, artificial intelligence is rocketing the field of medicine into the future. Our experts discuss the many different applications of AI and how we can expect to interact with the technology in the years to come.
5/14	6:00	15:22	Pryor Public Schools Summer Explore Program	Public education; public health; public health; retraining	Lessons will be provided 4 days a week for math, reading and Action-based Learning. Transportation can be provided and breakfast and lunch will be provided. We discuss all the details and who qualifies.
5/28	6:00	6:48	Pryor Creek Police Department Accepting Applications	Law Enforcement	The Pryor Creek Police Department discusses their openings for a Patrol Officer and a School Resource Officer.
6/18	6:00	12:14	THE PSYCHOLOGICAL	economy; psychology; behavioral science;	The gig economy seems to only be growing, especially with the boom

			TRENDS OF THE EVER-GROWING GIG ECONOMY	employment; public health; consumerism; mental health; individuality;	of businesses like Uber and Grubhub. Workers now get to choose their own hours, but is the freedom worth the lack of regulation, protections, and benefits like health insurance? Experts explain the societal perception and personal psychology of gig workers
