WGIG  
Quarterly Issues/Programs List

---

WGIG provides its listeners with programming and public service announcements that address issues of concern to our local community.

-Due to extreme income disparity and educational issues, we cover education and poverty

-As the home of several Superfund sites, we are concerned with the environment

-The Superfund issue leads us to be concerned about public health.

-Economic Opportunities and Entrepreneurism

-This is a heavily touristed area as well, so we choose to focus on road and highway safety issues
