January – March 2015

WNRN broadcasts on multiple frequencies throughout central Virginia. Our signals reach Charlottesville, Richmond, Lynchburg, Staunton, Waynesboro, Harrisonburg and Lexington as well as the 21 counties near these cities.

WNRN's public service program runs hourly at approximately 35 minutes past the hour on our airwaves. The content focuses on non-profits to inspire and motivate that listeners will volunteer in their own community. The Hear Together segments provide a platform for WNRN's educated listeners to learn more about the missions of many non-profits.

WNRN radio broadcasts more than 8000 public service announcements each year. Hear Together gives over \$300,000 in free airtime to area regional non-profit organizations. These organizations can then use the profile on their website to seek funds from grantors and for basic education.

WNRN's goal to actively encourage giving back to our community is met by airing messages with direct appeals for volunteers. We know that all non-profit organizations have volunteer boards, run programs that use volunteers, and need volunteers to run fundraising events for their operations. Therefore, we aim to share a wide range of ways to make a difference for every schedule and interest for potential volunteers.
