

B – In accordance with perceived community needs, WNRN broadcast programs devoted to the following during its one-hour Sunday Morning interactive talk/call-in show during the quarter. Live guests representing government or community organizations were in the studio for all of the following:

- City Councilman, Dave Norris, Vice President of Southern Development, Charlie Armstrong and Executive Director of Habitat for Humanity of Greater Charlottesville, Dan Rosensweig discuss Affordable Housing.
- Health Policy Analyst and the Director of the Health Policy Program for the University of Virginia Health System, Carolyn Englehard helps explain the Affordable Care Act.
- Discussion of Medical Cannabis w/ Mary Lynn Mathree and Al Byrne, respective President and Treasurer of Patients Out of Time.
- Documentarian Dave Miller shares stories from his film, "Breathing Life into the Chesapeake: Oysters, Boats and Men"
- Director of the Virginia Film Festival, Jody Keilbasa and Wes Harris, Programmer and Operations Manager, go in-depth on the 2013 event.
- Post-election politics with Geoffrey Skelley, Media Relations Coordinator with the University of Virginia Center for Politics and Associate Editor for Sabato's Crystal Ball.
- Journalists Hawes Spencer and Barbara Nordin discuss the history and latest news on the story of Patrick Collins, a UVA student gone missing in 1986.
- UVA Professor of Astronomy, Ed Murphy, discusses the evidence of alien existence, the Drake Equation, space travel and more.
- Mary Burruss, lead coordinator of the Radio Resource Project shares the '30 Minute Throwdown', a community program created by area high school students.
- David Toscano, Minority Leader in Virginia's House of Delegates talks about the upcoming General Assembly session.
- UVA professor of Anthropology, Roy Wagner explains how Christmas and other holidays around the world are celebrated.
- Santa Claus visits and calls some local boys and girls.

Rick Moore

WNRN Public Affairs Director
