B – In accordance with perceived community needs, WNRN broadcast programs devoted to the following during its one-hour Sunday Morning interactive talk/call-in show during the quarter. Live guests representing government or community organizations were in the studio for all of the following:

- Manners & Etiquette w/ Robyn Jackson, Director of Charlottesville's Civility School
- Ex-CIA operations officer Frederick Hitz, author of *The Great Game: The Myth and Reality of Espionage* shares both history and fiction of spys, the Cold War and modern techniques.
- A proposed natural gas pipeline and the positive+negative feedback discussed with Graelyn Bashear, News Editor at C-ville Weekly.
- Sean Tubbs, senior reporter for Charlottesville Tomorrow updated the news on a cancellation of the Western 29 Bypass and the future of Route 29 in/around Charlottesville.
- Two superintendents of local school districts, Pam Moran(Albemarle) and Jeff Comer(Nelson) talked about new SOL testing requirement, changing student groups, school safety & budgeting .
- University of Virginia immunologist Dr. Scott Commins talks kids and food allergies – the growing percentage of those with problems and medical unknowns.
- Veterinarian Dr. Mike Fietz answers listener questions about their pets.
- What makes a community? Area realtor and blogger Jim Duncan helps discuss the question.
- UVa Professor of Economics William Johnson talks about the economic effects of the minimum wage through poverty, the Consumer Price Index, political viewpoints and more.
- Courteney Stuart, Editor at Cville Weekly discusses the disappearance of Hannah Graham.
- UVa Honor Committee Chair Nick Hine to talk about the philosophies, processes, and criticisms of the Honor Code at UVa.
- Local entertainers from Big Blue Door provide storytelling.

Rick Moore
WNRN Public Affairs Director
