Hector:

Disculpa por mandar tantos email pero el personal encargado de las organizaciones en la universidad es completamente nuevo. El primer día que queríamos hacer el evento Calle 8 (10/12/12) fue cancelado por la Universidad. Ya desde mas de una semana estamos tratando de poder hacer este evento en Octubre 26. Después de que nos confirmaran el evento fui personalmente a hablar con la personas encargada de las Organizaciones y Eventos en la universidad para que ella me asegurara que este evento no fuera a ser cancelado de nuevo. Ella me aseguro que todo ya esta bien y iba personalmente a estar trabajando con nosotros directamente para asegurarnos que no pasara de nuevo.

Podemos contar con la participación de el remoto de la 97.7 Latinos el viernes 26 de Octubre de 6:00pm hasta las 8:00pm en FGCU? (Ahora nos están requiriendo que les mandemos por email la confirmación so si es posible responder en ingles seria ideal)

Este evento va a ser anunciado en la Universidad. Estamos pensado si están disponibles para anunciar este evento con la presencia del remoto al frente de la Universidad donde todos los estudiante puede ver la presencia de Latino 97.7. Esto seria el jueves 25 de octubre de entre 10:45am a 2:15pm. Si están disponibles yo les confirmare después ya que necesitamos verificar que ese día el espacio este disponible para poder anunciar este evento.

Confirmation: Can we count on the participation of "el remoto" from 97.7FM Latino on Friday October 26 from 6:00pm to 8:00pm for the Event Calle 8?

Como siempre si tiene alguna pregunta me pueden contactar al 305-803-4588 o via email a laso@eagle.fgcu.edu

Sinceramente,
Manuel Reboredo
Vice Presidente de LASO

Hi Elizabeth,

Here is the produced ad. However, it was too long and a small section was cut out but the important info, the prize and phone nbr are definitely in! It does sound great.
