

1Q 2024 ISSUES AND PROGRAMS LIST

WPDE

FLORENCE & MYRTLE BEACH, SOUTH CAROLINA

January 1, 2024 – March 31, 2024

## LIST OF ISSUES

### **ECONOMY/INFLATION**

The Myrtle Beach area is the #1 fastest growing area, with rent increases up 36% since before the pandemic. As the nation deals with rising inflation – affecting everything from food to gas prices – we focused on the impact this is having on our communities and industries. We're also seeing impacts to other communities from workforce shortages and inflation issues.

### **FLOODING**

In the past several years, our communities have dealt with a number of major weather events, from a historic 1,000-year flood in 2015 to several hurricanes like Matthew and Florence. While those events caused flooding, we're also now seeing flooding after minor weather events. In some cases, development is to blame, in others it's a lack of attention or resources to flood mitigation. We continue to be a voice for those in our community who are seeing flooding over and over again.

### **GROWTH AND DEVELOPMENT**

Horry County is one of the fastest growing areas in the country. This quarter we saw a number of major developments along highways in our community. Residents are concerned that the roads are not able to handle the number of cars safely. We covered discussions about building moratoriums and how growth puts a strain on resources in our community. It also leads to issues with stormwater drainage, which leads to flooding. As we build up more and more, places begin to see flooding that haven't before. We are committed to covering the growth in our area and the challenges it presents to our communities.

### **PEE DEE CRIME**

The crime wave in the Pee Dee continues. Sheriffs there tell us young people aren't considering the consequences and have no consideration for the value of human life. We make sure we are able to cover not only the crimes, but the solutions being presented, and the impact on the families involved.

We conduct regular station tours for schools and community groups, visit schools, community centers, fairs and festivals. See News Ascertainment below.

We donate airtime for Public Service Announcements and Community Events. See complete list of 1st Quarter PSAs below.

We allow the amateur radio community to use tower space, helping during times of disaster and severe weather by relaying National Weather Service Information.

1st Quarter 2024 News Ascertainment  
WPDE-ABC 15

JANUARY

- 4 – Ed - Judge Myrtle Beach Lion's Club Speech contest - Myrtle Beach
- 6 – Ed, Andrew, Jennifer, Amanda - Bowling for Harvest Hope - Myrtle Beach
