Dear Ms. Dortch:

KCBD License Subsidiary, LLC ("KCBD"), licensee of KCBD, Lubbock, Texas (the "Station"), hereby notifies the FCC, pursuant to Section 73.1740(a)(4) of the Rules, that the Station ceased operation at approximately 7:30 pm local time on Wednesday, February 4, when its tower was severely damaged by an airplane crash. Company personnel, along with federal and local officials, are at the scene of the accident today making an assessment of the situation. Once KCBD has determined how it can restore service to the public, it will seek whatever FCC authority is necessary to do so.

Any questions regarding this matter should be directed to the undersigned.

Respectfully submitted,

Michael Beder
