JR027642: Position was titled Weekend Morning Anchor/MMJ in postings but listed as Evening Anchor/MMJ in the public file report.

Reason for Discrepancy: Employee Database (Workday) / System – Job Profile Coding

The requisition posted with the title of Weekend Morning Anchor/MMJ, however the job profile of the position being filled was listed in Workday as Job Code 12591- Evening Anchor, MMJ.

The individual hired in the role as Job Code 12591 due to the system set up and was then changed to job profile 12589 – Weekend Anchor/MMJ when the discrepancy was discovered on 12/26/2022 is the comment from Abby on that transaction.

This is hiring transaction from our Workday System:
