

Statement of Kim Fellows, Business Administrator, KSNT/KTMJ-CD

On January 29, 2016, I uploaded to the online public files of KSNT and KTMJ-CD the EEO public file report for the reporting period of February 1, 2015 – January 31, 2016. At this time, and as shown in the attached screen shots of each station's recycle bin, I mistakenly deleted the 2015-16 EEO public file report in each station's public file. Subsequently, I used the "restore" function under the "recycle" tab so that the report would again appear in the public files.

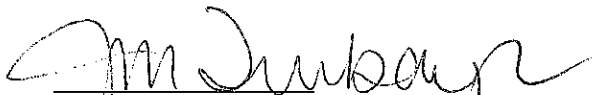

Therefore, while it appears as though the 2014-15 EEO public file report was late-filed, I attest that the report was timely filed in January 2015.
