We envision taking 400 kids on educational fishing adventures a year, while providing every young person with tools, motivation, and guidance to help them succeed in life, demonstrating and developing character, and inspiring them to pursue their dreams Our program is instilling an appreciation for natural resources across the country and spawning the next generation of sportfishing and outdoor enthusiasts. Participating youth experience everything hands-on, constantly engaged no matter how the fish are biting that day. While parents are equipped with fishing know-how so they can confidently take their family to “catch a memory” together outside of the fishing trips we coordinate and supervise. What a rewarding year – We’re on track to double our goal of taking 400 kids fishing! Thank you for your trust and support, this is what makes us grow. Organization: The River Community Church Of Ventura

Guests: Jim Duran

We call ourselves The River Community because we believe that churches ought to flow like a river and not sit motionless like a lake. People that step into a lake generally exit from the same place they entered. When a person enters a river they will always exit at a different place; they have been moved by the current. Our goal is to move people further along their spiritual journey with Christ than when they first entered The River. Our goal is to provide a space where men can gather, get to know each other, and discover their next faithful step in their spiritual journey. Come be a part of a welcoming community where you will learn about the word of God and discover how to apply it to your everyday life. Ages 18-35 Working with many non-profits within the community Tender Life, The City Center and many others within the Ventura County area helping providing people who are living in the streets of our community a place to stay and sleep during bad weather conditions
