Dear Marisol,

Thank you so much for participating in this evening's Career Panel for Spanish MA students! Your practical advice was so useful, and it was wonderful to learn about all the opportunities available at Univision! I know the students benefited tremendously, and that it will be the gift that keeps on giving, once they find themselves searching for jobs after graduation. I'm really appreciative of your generosity of time, and I'm so glad that Carmen connected us.

Let's keep in touch, and in the meantime, I wish you a very Happy and healthy Thanksgiving and holiday season. If you'd be willing to share a mailing address with me, I have a small handmade gift I'd like to send you, to thank you for today.

Warmest wishes,  
Darci

Great! We can do the interview on Friday, October 23 at 11 a.m. Some of the questions I have planned out are:

- Can you summarize your responsibilities and role in your current position?
- Of all the things you are responsible for, which is your favorite?
- If you don't mind sharing, what is your least favorite part of your job?
- How did you get into PR?
