

**Statement of Corrective Action Regarding
Pre and Post Filing Announcements
Of WHY, Inc.'s Application for the Renewal of
the License for WHY-FM Philadelphia**

I, Kyra G. McGrath, Executive Vice President and Chief Operating Officer of WHY, Inc. ("WHY"), hereby certify that on June 20, 2014 WHY discovered that due to an administrative oversight it had failed to comply with Rule 73.3580 regarding the broadcast of notices of its intent to file an application for the renewal of its license for WHY-FM Philadelphia, and failed to broadcast notice that the application had been filed. To rectify the oversight, WHY broadcast 26 post-filing announcements, rather than the required 10 pre- and post-filing announcements, on the dates and times listed below. The majority of the announcements were made during drive time in an effort to reach the maximum number of our listeners.

Our license will expire on August 1, 2014. We have filed an application for license renewal with the FCC. A copy of the application is available for public inspection during our regular business hours. It contains information concerning the station's performance during the last eight years. Individuals who wish to advise the FCC of facts relating to our renewal application and to whether the station has operated in the public interest should file comments and petitions with the FCC no later than July 1, 2014. Further information concerning the FCC's broadcast license renewal process is available at 150 North 6th Street, Philadelphia, PA, 19106, or may be obtained from the FCC, Washington, D.C., 20554."
