<b>ISSUE(S) EXAMINED</b>	<b>DISCUSSION</b>	<b>PROGRAM TITLE</b>	<b>TYPE OF PROGRAM</b>	<b>DATE &amp; TIME</b>	<b>TIME ON TOPIC</b>	<b>GUESTS</b>
Art and Culture	Surrounded by quilts growing up, McAlester artist Jason Wilson paints abstract art that he likens to quilts. His creativity requires a detailed, time-consuming process to build geometric-puzzle pieces that seem to defy dimension. As this episode of OETA's Gallery America shows, Qu'aint – an Oklahoma collective of quilters – are now turning Jason's paintings back into quilts in surprising ways. // Other artists from around America also featured.	Gallery America	Arts Documentary	10/01/2020	30:00	Robert Reid, Host; Jason Wilson, Artist; Chris Mercerhill, Photoquilter; Heather Ryan Kelley, Artist
Oklahoma History	After months of staying inside, many Oklahomans are dying to get out and enjoy the summer sun. Robert Burch and the Back in Time crew are taking a road trip to visit the many historic sites across the state, while staying safe. Green markers dot the state highways and back roads, telling the complex and fascinating tales of our state's past. Join us as we explore Oklahoma's Roadside History.
