Employment

Programs: Programs providing the most significant treatment of the above-identified community issues:

Local:

Program	Day	Time
KSAN News at 5	Monday-Friday	5:00-5:30pm
KSAN News at 6	Monday-Saturday	6:00-6:30 pm
KSAN News at 10	Monday-Sunday	10:00-10:35 pm

All of the above programming is locally produced news and entertainment programming presenting a mix of news, weather, sports, and lifestyle programming focusing on current issues and events.

National:

Program	Day	Time
NBC Nightly News	Monday-Sunday	5:30-6:00 pm

Reporting of the day's major international and domestic news stories each weeknight. In addition to the top news of the day, broadcasts feature human-interest segments called Making a Difference, which spotlight ordinary Americans making the lives of those around them better.

Early Today	Monday-Friday	5:30-7:00am
-------------	---------------	-------------

The program features general national and international news stories, financial and entertainment news, off-beat stories, national weather forecasts and sports highlights.

Today Show Monday-Friday 7:00-11:00 am

A daily live broadcast provides current domestic and international news, weather reports and interviews with newsmakers from the worlds of politics, business, media, entertainment and sports.

Today Show Saturday 7:00-8:30 am

A live broadcast provides current domestic and international news, weather reports and interviews with newsmakers from the worlds of politics, business, media, entertainment and sports.

Today Show Sunday 7:00-8:00 am

A live broadcast provides current domestic and international news, weather reports and interviews with newsmakers from the worlds of politics, business, media, entertainment and sports.

Meet the Press Sunday 8:00-9:00 am

The hour long Sunday morning public affairs program has featured interviews with countless U.S. and world leaders, and has reviewed, analyzed and discussed the news of the week -- all while looking toward the week ahead.

Dateline NBC Friday 8:00-10:00 pm

A newsmagazine that delivers in-depth coverage of news events and investigates subjects of all kinds. NBC news correspondents probe crimes, trends and issues to present long segments, and sometimes full one- or two-hour broadcasts

Syndicated:

Program	Day	Time
---------	-----	------

Rachael Ray	Monday-Friday	1:00-2:00 pm
-------------	---------------	--------------

Celebrity Rachael Ray offers a program that is a mix of entertainment, information and cooking. Her unique, spinning set, houses celebrity guest interviews, audience participation and cooking segments.

The Doctors	Monday-Friday	2:00-3:00 pm
-------------	---------------	--------------

A panel of top medical professionals includes emergency room physician Travis Stork pediatrician Jim Sears and plastic surgeon Andrew Ordon. The specialists weigh in on health issues raised by their guests as well as questions from viewers at home. Additionally,

cameras follow physicians into the operating room, providing viewers a rare glimpse of surgical procedures. And occasionally, celebrity guests talk about medical issues.

Education – Topics covered under this issue include:

Changing the age limit of minors
ASU's online degrees
ASU Teacher Awards

Program Title: KSAN News at 10
Time: 10:00-10:35 pm
Detailed Description:

Date: 01/07/15
Duration of Segment: 2:04

Law makers in Austin are considering changing the age limit of minors from 17 to 18 years old. If the measure passes it would affect education programs in detention facilities across the state. Currently juvenile detention centers hold children between 10-17 years of age and the state mandates that they are schooled for six hours per day. At age 17 if they break the law they go to county jail not juvenile detention.

Program Title: KSAN News at 6
Time: 6:00-6:30 pm
Detailed Description:

Date: 1/12/15
Duration of Segment: 1:00

The ASU online graduate programs for teacher education and nursing made the best online programs list for the US News and World Report for 2015. This is the second year in a row for the teacher education program to make the list and the third year for the nursing program to make the list.

Program Title: KSAN News at 10
Time: 10:00-10:35 pm
Detailed Description:

Date: 1/28/15

Program Title: KSAN News at 10
Time: 10:00-10:35 pm

Date: 02/19/15
Duration of Segment: 1:18

Detailed Description:

An 18 year-old San Angelo man was convicted of capital murder by a Tom Green county jury. He is one of two defendant's charged with shooting deaths of two 22 year old San Angelo residents in September of 2013. The jury took just under an hour to decide. His sentence is an automatic life with the possibility of parole. The second defendant is also charged with capital murder and is scheduled to go to trial in May of 2015.

Program Title: KSAN News at 10

Date: 01/27/15

Time: 10:00-10:35 pm

Duration of Segment: 1:00

Detailed Description:

During a five day period of time local police responded to 15 different vehicle burglaries in different areas of San Angelo. Police are also investigating to see if there is a link between the vehicle burglaries and a vehicle fire during the same time period. The police are urging people to lock their cars and not leave any valuables in their cars.

Local Government – Topics covered under this issue include:

Zoning Board
Affordable Housing Project
City Council Annexation

Program Title: KSAN News at 6

Date: 01/06/15

Time: 6:00-6:30 pm

Duration of Segment: 2:07

Detailed Description:

For the second time in two days the city of San Angelo is hearing from another Silica Sand Company who are looking to build a Sand transloading Facility in Tom Green County. This facility would be located miles from residential properties. There are concerns about the company depleting the Aquifer that people north of San Angelo depend on. The city will survey whether it's likely the recent growth that San Angelo has experience will allow them to annex the property. If the city council does not approve the annexation the company could still move forward without the council's approval.

Program Title: KSAN News at 10

Date: 02/03/15

Time: 10:00-10:35 pm

Duration of Segment: 2:27

Detailed Description:

The Zoning Board of Adjustment voted unanimously that a sand transloading facility does not qualify under light manufacturing. The City Planning Director's department is currently working on an ordinance amendment which would solidify and update the language in the zoning ordinance to prevent any future confusion.

Program Title: KSAN News at 10
Time: 10:00-10:35 pm
Detailed Description:

Date: 02/12/15
Duration of Segment: 2:07

Hundreds of upset residents attended a town hall meeting about a proposed site for an affordable housing apartment complex in southwest San Angelo. Many residents feel that the complex will bring down the value of their homes and attract an undesirable element to the neighborhood.

Community/Culture— Topics covered under this issue include:

Warming Centers
Rodeo

Program Title: KSAN News at 10
Time: 10:00-10:35 pm
Detailed Description:

Date: 01/9/15
Duration of Segment: 1:56.

With freezing temperatures expected the local Salvation Army is opening Warming Centers that will serve hot meals and give transients and homeless a place to get out of the cold temperatures. The local Salvation Army reports that this is the second time this year and the fifth time in two month the Warming Center has needed to open for more than one day at a time.

Program Title: KSAN News at 10

All in all the carnival will have over 75 different attractions this year.

Employment— Topics covered under this issue include:

Oil Layoffs

Program Title: KSAN News at 6

Time: 6:00-6:30 pm

Detailed Description:

Date: 01/21/15

Duration of Segment: 1:50

The price of oil is leading to cutbacks with the hope that the cutbacks will lead to a rise in oil prices and those cut backs are being felt in the Concho Valley. Sendero drilling has already laid off 44 employees and has warned the Texas Workforce Commission that more layoffs could come in stages. Breitling Energy states that they will only be drilling the best of the best stuff in their inventory which means less drilling and employees will either be repurposed or let go.

Public Service Announcements: In addition to the above programming KLST broadcast public service announcements related to the following issues:

Environment – Arbor Day Foundation, Solar Energy Industries

Children – Discovering Nature, Childhood obesity prevention, Paul Newman camps

Health – American Diabetes Association, American Cancer Society, Non-Smoking, Drug Free America

Employment – EEO Notice

Consumer Safety – Drunk Driving, Texting, Emergency preparedness

These public service announcements were broadcast at various times throughout the day.
