

FCC Issues Report for 2nd Quarter 2007

During the 2nd quarter WMEI-TV, WOST-TV, and WQQZ-TV with our FCC license originating in Arecibo/San Juan ran programming and public service content to address the following issues:

Issue:	Issue Programming Content:
Obesity / High Blood Pressure	Astro Diet – 19 hours
Anxiety / Stress Relief	Ki Motion – 21 hours
Arthritis & Joint Pain	Reuma Col – 22 hours
Personal Fitness	Sauna Twin – 22 hours
Exercise & Cardiovascular Care	Air Climber – 51.5 hours
Leg and Back Pain Relief	Walk Fit – 65.5 hours
Consumer Debt Management	Consumer Credit – 373 :60's

**** NOTE:** Second quarter 2007 FCC issues report was misplaced and not filed. However, we estimate that similar issues/programming were in place for such quarter as in 3rd quarter 2007. Based on the information above, we restated 2nd quarter 2007 FCC issues report on such information.
