3.4 The Licensee shall not be required to receive or handle mail, cables, telegraph or telephone calls in connection with the Programmer's Programs broadcast under the terms of this Agreement unless the Licensee, at the request of Programmer, has agreed in writing to do so.

ARTICLE 4 **CONSIDERATION**

As consideration of the brokerage of air time on the Station for the broadcast of the Programmer Programming pursuant to the terms and conditions of this Agreement, Programmer shall pay to Licensee the consideration provided for in Schedule B to this Agreement.

ARTICLE 5 **TERM AND REGULATORY REQUIREMENTS**

5.1 Term. Subject to the provisions for early termination contained herein, the term of this Agreement shall commence effective on April 1, 2019 (the "Effective Date"). This Agreement shall terminate on the earlier of (i) the closing date of the transaction contemplated by the Purchase Agreement, or (ii) twelve (12) months from the date hereof (the "Term").

5.2 Assignability.

5.2.1 This Agreement shall inure to the benefit of and be binding upon Licensee, its successors and assigns and shall not terminate upon the sale or any other transfer of control of the Station or Licensee to any successor licensee, whether or not such licensee is related to Licensee, except as provided in Section 5.3 below.

5.2.2 Neither party shall assign or transfer its rights, benefits, duties or obligations under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned, or delayed.

5.3 Early Termination for Breach and Nonperformance.

5.3.1 Except as is provided Section 5.3.2 below, should either party be in breach of this Agreement for the nonperformance of a material obligation, the nonbreaching party may, in addition to pursuing any other remedies available at law or in equity, terminate this Agreement if such breach shall continue for a period of fifteen (15) days following the receipt of written notice from the nonbreaching party, which notice shall indicate the nature of such breach, except if the breaching party has commenced a cure of such breach within said fifteen (15) day period, the breach is capable of cure and the breaching party acts in good faith to cure the breach within a reasonable time the breaching party shall not be deemed to be in breach.

5.3.2 In the event that Licensee intentionally fails to perform under this Agreement for either three (3) consecutive and entire days or one-half hour or more per day for sixty (60) consecutive days, unless Programmer has granted its consent to such nonperformance or unless such nonperformance is caused by a force majeure event as defined herein, Programmer shall have the right, in addition to other rights provided hereunder, to terminate this Agreement by giving written notice to Licensee. If such termination shall occur pursuant to this Section, such termination shall extinguish and cancel this Agreement without further liability of Programmer to Licensee under this Agreement; provided, however, that upon termination of this Agreement by Programmer under this section, there shall be a final accounting of monies due but unpaid under this Agreement.

5.4 FCC Action.

5.4.1 Should a change in FCC policy or rules make it necessary to obtain FCC consent for the continuation or further effectuation of any element of this Agreement, both parties hereto shall use their best efforts to diligently prepare, file and prosecute before the FCC all petitions, waivers, construction applications, amendments, rulemaking comments and other related documents necessary to secure and/or retain FCC approval of all aspects of this Agreement. Programmer shall bear the cost of preparation of such documents and prosecution of such actions. Notwithstanding anything in this Agreement to the contrary, it is understood that no filing shall be made with the FCC with respect to this Agreement unless both parties hereto have reviewed said filing and consented to its submission.

5.4.2 If the FCC determines that this Agreement is inconsistent with Licensee's license obligations or is otherwise contrary to FCC policies, rules and regulations, or if

regulatory or legislative action subsequent to the Effective Date alters the permissibility of this Agreement under the FCC's rules or the Communications Act, the parties shall renegotiate this Agreement in good faith and recast this Agreement in terms that are likely to cure the defects perceived by the FCC and return a balance of benefits to both parties comparable to the balance of benefits provided by the Agreement in its current terms. If, after such good faith negotiations, either party reasonably determines that recasting this Agreement to meet the defects perceived by the FCC is impossible, either party may terminate this Agreement without further liability upon thirty (30) days prior written notice. If termination shall occur pursuant to this section, such termination shall extinguish and cancel this Agreement.
