***Re: Must-Carry Election***

Dear Ms. Goldberg:

The Satellite Home Viewer Improvement Act of 1999 and the Satellite Home Viewer Extension and Reauthorization Act of 2004 require that Echo Star Communications Corporation ("EchoStar") carry all local stations in a market where EchoStar carries at least one station pursuant to a compulsory copyright license, and the Rules and Regulations of the Federal Communications Commission (the "Commission") require us to make a carriage election for the 2006-2008 election cycle by October 1, 2005. Therefore, pursuant to Section 76.66(c)(4) of the Commission's Rules, we hereby submit the following election request:

Station KINC(TV), Las Vegas, Nevada (the "Station") hereby elects carriage by must-carry in the Las Vegas, Nevada DMA for the election cycle commencing on January 1, 2006.

The Station acknowledges that it will bear the costs, if any, associated with delivering a good quality signal to EchoStar's designated local receive facility in the Station's DMA. Given that the Station is currently carried by EchoStar, delivery of a good quality signal has already been established.

Further, in accordance with Section 76.66(d)(3) of the Commission's Rules, we hereby provide EchoStar with the following information.

1. The contact person at the Station for technical matters is:

Chris Roman  
General Manager, KINC

Las Vegas, Nevada 89119

2. The Station's call sign is KINC.

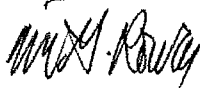

3. Our address for receiving official Commission-required correspondence is:

4. The Station's community of license pursuant to its FCC authorization is Las Vegas, Nevada.
5. The Station's DMA assignment is Las Vegas.
6. The Station elects to be carried by must-carry.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Michael G. Rowles
