The White House and U.S. Department of Health and Human Services announced Friday every home in the U.S. is eligible to order 4 at-home rapid COVID-19 tests. The tests are completely free. Orders will usually ship in 7-12 days.

Ordering begins tomorrow, January 19.

EDIT: We have been informed by several users that the page went up a day early and you can place your orders for your tests now. Visit <http://covidtests.gov> for more information.

We were basing our information from the Friday press release and the webpage itself, which said January 19 until
