

**BLARNEY STONE BROADCASTING, INC.**  
**WQON-FM / WGRY-FM**  
**POLITICAL DISCLOSURE STATEMENT**

**Blarney Stone Broadcasting, Inc.**, complies with federal law in selling time to candidates for political office. In accordance with that law, we provide reasonable access to station facilities for all legally qualified federal candidates. However, we reserve the right to determine the non-federal candidates to whom we will sell time. Once time is sold to a federal or non-federal candidate, equal opportunity rights are afforded to all legally qualified opponents of that candidate.

Most rates for both commercial and political advertising time sold on **WQON-FM and WGRY-FM** are arrived at on an individually negotiated basis. Individually negotiated spot packages are equally available for purchase by political candidates. Negotiated buys may, for example, include spots in a number of different rotations or day-parts and combinations of different classes of spots. A description of various classes of advertising time offered to commercial advertisers is provided below. Rates for most classes of time vary on a daily or weekly basis, based upon supply and demand. During the 45 day period before a caucus, primary or primary run-off election and the 60 day period prior to a general election, the ultimate charge provided to eligible political candidates purchasing spots for “uses” - that is, spots purchased on behalf of a candidate containing a positive appearance by a candidate in which the candidate’s voice is readily identifiable --will in no event exceed the lowest price paid by any other advertiser for spots of the same class and length and for the same daypart or rotation which actually run during the same rate period as the political spots. A legally qualified Federal candidate will be eligible to receive the lowest unit rate only if the candidate provides Blarney Stone Broadcasting, Inc., the written certification required under Section 305 of the Bipartisan Campaign Finance Reform Act of 2002 (“BCRA”), and adheres to that certification throughout the campaign. At times other than the 45 and 60 day pre-election periods, candidates will be charged rates comparable to those charged to commercial advertisers, and will receive the same opportunities to negotiate individual packages that commercial advertisers receive. The lowest unit rate policies do not apply to “soft money” announcements (announcements not endorsed or sponsored by the candidate but rather by a third party) or for any form of “issue” advertising.

In accordance with FCC rules, eligible candidates will receive all discount privileges available to commercial advertisers, and will be provided with rebates for any overcharges, before the election when possible. The lowest or comparable rates for specific classes of time and rotations in which a candidate is interested will be provided upon request to Sheryl Coyne, President/CEO, Blarney Stone Broadcasting, Inc. (WQON-FM / WGRY AM-FM), 6514 Old Lake Road, Grayling, MI 49738 / Phone: (989)348-6171. The precise lowest unit rate may not be determined until after particular spots have aired. Lowest unit rates provided to eligible candidates in advance represent the station's best good faith estimate of such rates, although the final rates may vary, in which event rebates will be provided if appropriate.

1. Immediately Preemptible Spots Aired During Specific Rotations. These spots are not guaranteed to run, and may be preempted without notice. These spots are sold to commercial advertisers with the understanding that they will run, unless the station sells out its inventory in a particular rotation or day-part. Accordingly, the probability of clearance varies constantly based on supply and demand. Whether a spot will be preempted depends on the price of a spot, length of a flight, and make-up of the schedule purchased. Blarney Stone Broadcasting's WQON-FM / WGRY-FM sells immediately preemptible spots for the following dayparts and rotations:

Monday-Sunday 6am-10am  
Monday-Sunday 10am-3pm  
Monday-Sunday 3pm-7pm  
Monday-Sunday 7pm-12m  
Monday-Sunday 6am-7pm  
Monday-Sunday 6am-12m

Blarney Stone Broadcasting's WQON-FM / WGRY-FM will also negotiate rotations other than those listed above, including narrower dayparts, based on the request of the advertiser.

Advertisers may also purchase spots within particular programs. Immediately preemptible rates for these day-parts and for particular programs are subject to change on a daily basis, based upon supply and demand. During lowest unit rate periods, political candidates will be provided with the lowest rates for immediately preemptible spots for the specific dayparts and rotations in which candidates express interest. At other times, candidates will be provided with rates comparable to those received by commercial advertisers for immediately preemptible spots for rotations and dayparts in which candidates express interest. Because rates and clearance probabilities for these spots change frequently, candidates should contact us to receive the current rates when placing a buy. At other times, candidates will receive treatment comparable to that received by commercial advertisers with respect to preemption.

2. Nonpreemptible Spots. Commercial clients often refer to this class of time as the "fixed rate." Candidates may purchase spots at these rates and be guaranteed that the commercials will air as ordered except for technical problems reasonably outside the control of Blarney Stone Broadcasting, Inc. (machine failures, power outages, sports over-runs, etc.) or acts of God. During time when the available supply of commercial time is exceeded by demand for commercial time, spots purchased at these rates will preempt spots purchased at the preemptible rates even if the preemptible rate is higher than the nonpreemptible rate. WQON-FM / WGRY-FM reserves the right to raise its rates for nonpreemptible spots for commercial advertisers as market demand dictates, but rates for nonpreemptible spots will not be raised for eligible political candidates during the lowest unit rate period.

3. ROS (Run-Of-Schedule Spots). ROS spots are scheduled after all other spots have been scheduled to run during the rotation identified. ROS spots are not guaranteed to run in any particular daypart. We offer ROS spots in a variety of rotations, including Monday-Sunday 6am-12m. They are scheduled by computer, based on the station's avails. They are the first paid spots to be pre-empted and have approximately a 75% chance of clearing. During lowest unit rate periods, eligible political candidates will be provided with lowest rates for ROS spots for the rotation in which the candidates express interest and WQON-FM / WGRY-FM will not preempt

such spots except in the event of unforeseen program changes or technical difficulties. At other times, candidates may purchase ROS spots at rates comparable to those received by commercial advertisers and will receive treatment comparable to such advertisers with respect to preemption. WQON-FM / WGRY-FM attempts to provide make-goods for ROS spots, but due to inventory constraints, cannot guarantee that such spots can be made good. However, make-goods will be provided to eligible political candidates. Lowest unit and comparable rates for ROS spots will be provided upon request.

4. Package Plans. Blarney Stone Broadcasting, Inc., offers individually negotiated packages that may include, for example, combinations of spots in various dayparts, bonus and discount overnight and/or ROS spots. Sponsorship packages which would imply relationship between the station and a candidate are not available to political candidates. In addition, non-cash incentives of *de minimis* value or which would imply a relationship between the station and a candidate, which may be available in some package plans, are not available to candidates. All other packages that are made available to commercial advertisers are available to political candidates. However, the lowest unit rate for all dayparts and rotations is calculated to reflect all package discounts to ensure that eligible political candidates receive the lowest unit rates for all spots scheduled to air during lowest unit rate periods regardless of whether they buy an entire package.

5. Make-Goods. WQON-FM / WGRY-FM will make every effort to provide “make-goods” spots prior to the election for spots purchased by eligible political candidates that are in fact preempted because of unforeseen program changes or technical difficulties. Although the station's policy is to offer all eligible political candidates make-goods prior to the election, we cannot guarantee to any advertiser that the make-good can be provided during the daypart or rotation originally purchased. If that is not possible because of inventory constraints, the station will offer make-goods of equivalent value. If these are not acceptable to an advertiser, the station will provide credits or refunds for preempted spots.

6. Newscasts. As provided by the FCC, sponsorships of WQON-FM / WGRY-FM newscasts or spots within newscasts are not available to political candidates.

7. Available Spot Lengths. Typically, WQON-FM / WGRY-FM sells 30-second and 60-second spots. There is rate distinction made between 30-second and 60-second spots. Prices for spots of lengths other than 30- and 60-seconds may be individually negotiated.

8. Sponsorship Identification. All spots must comply with the sponsorship identification requirements of Section 317 of the Communications Act and Section 311 of BCRA. If use spots do not contain the identification required under the Communications Act, we reserve the right to add appropriate identification and to bill the candidate for any production costs incurred by the station.

9. Rebates. If we sell advertising time to a eligible political candidate for a “use” during the prescribed “lowest unit rate” periods for a particular amount and class of time at a rate in excess of the rate charged another advertiser for the same amount and class of time in the same time period which clears as scheduled, the Station will afford the candidate the benefit of the lower rate by means of a rebate, a credit against future purchases, or a refund of the difference, as

determined by the candidate. No adjustments will be made for purchases not subject to the "lowest unit rate" requirements.

10. Value Added Features. If scheduled during the prescribed lowest unit rate periods, eligible political candidates may purchase spots with value-added elements in conjunction with air time on the same terms as offered to commercial advertisers, including non-cash promotional incentives, unless the nature of the promotional incentive is *de minimis* (such as coffee mugs or other give away items) or might imply an endorsement by or other relationship with the station, in which case such promotional features are not available to political candidates. "Billboard" or program sponsorship arrangements are not available to political advertisers. Details will be provided upon request.

12. Credit Practices. We require all new advertisers and all advertisers in volatile businesses or those whose operations are intermittent or of limited duration, including political candidates, to pay for all spots in the form of certified or cashier's check, money order, wire transfer or cash in the full net amount of the schedule being ordered in advance of the schedule's commencement. All payments must be received by Blarney Stone Broadcasting, Inc., no later than 48 hours prior to air date.

13. Receipt of Materials. All tapes must be received by the WQON-FM / WGRY-FM Traffic Department no later than 24 hours prior to air date. Tapes for schedules commencing on Saturday, Sunday or Monday must be received no later than noon on the Friday prior to air date. Blarney Stone Broadcasting, Inc., cannot guarantee make-goods for schedules which do not air due to a delay in receipt of tapes.
