### OPB seeks VP, Engineering

OPB

OPB seeks an engineering and technology leader excited about the evolving public media/broadcast industry. The VP, Engineering, is responsible for the leadership, administration, vision, and strategic planning for engineering and technology systems for OPB. The VP, Engineering, is a technology strategist able to identify and capitalize on digital technology and broadcast solutions to advance OPB's business interests and public service mission. For more information and instructions on how to apply, go to <http://www.opb.org/insideopb/careers/jobs/>. OPB is an Equal Opportunity Employer.

#### About OPB

OPB is a committed leader in the rapidly changing media environment. We continue to bring exceptional programs to 1.5 million people each week who listen and watch OPB – and also to deliver engaging content to the thousands who access OPB online, through mobile devices and tablets, and through social media. We are the source of unbiased news that provides the information needed to see beyond ours...
