Glenn, thank you so much for yet another amazing tour and talk! OPB really was a highlight for students this month. It was great to see the site through the arts and journalism lens, and as always, wonderful to hear your insights.

Side note: the magazine I mentioned as listing McMinnville as a runner-up on best towns is Sunset Magazine. I had to rack my brain for about 24 hours but I remembered!

Thanks again, for all you help us with!  
Best,  
Donna
