Will do, Barb. What does NSF mean? Is there other language I should use to describe this, or would you like to me list is exactly the way it is? Like this:

“We’re hiring for a Production Manager for NSF Funded Project.”

Or can I say this?:

"We’re hiring for a Production Manager for four-part national public TV series and website.”

Good morning, OPB!

We have a new job opportunity to announce – details are below. As always, please forward the

information to anyone you think may be interested, or post it to Twitter, Facebook, LinkedIn, etc. I do ask that if you repost it anywhere, please be sure to let me know (don't forget to include info about where you posted). OPB has to track that information for the annual hiring report we provide to the FCC. Also - if you repost and use hash tags, please include #pubjobs, #mediadiversity and #nprjobs.
