

## CALM Act Certification

This is to certify that:

1. As required by Section 76.607 of Title 47 of the Code of Federal Regulations, all commercial advertisements embedded in programs carried on the network currently known as SOAPnet (hereinafter referred to as the "Network") are in compliance with the loudness control practices contained in Advanced Television Systems Committee (ATSC) A/85: Recommended Practice: Techniques for Establishing and Maintaining Audio Loudness for Digital Television ("ATSC A/85 Recommended Practice") at the point of distribution by the Network to authorized reception equipment of downstream multichannel video programming distributors.
2. Compliance with the ATSC A/85 Recommended Practice is determined by the Network through the use of equipment and associated software that is installed, utilized and maintained in a commercially reasonable manner.
