Re: Confirmation Regarding Must Carry Carriage

Dear General Manager:

As you may know, Time Warner Cable Inc. ("Time Warner Cable"), Comcast Corporation ("Comcast") and Adelphia Communications Corporation ("Adelphia") have entered into certain agreements by which Time Warner Cable plans to acquire certain cable system assets of Adelphia and Comcast. The transaction is expected to close on or after July 31, 2006.

Time Warner Cable has been informed that your station has been carried in accordance with the FCC's "must-carry" rules in the following cable system(s): BRYAN OH-REBUILD ("System(s)"). This letter is provided as a courtesy to notify you that in connection with the transaction described above, effective as of the date of the acquisition of the System(s), Time Warner Cable will continue to carry your station's signal in the System(s) in a manner consistent with FCC regulations and your station's must-carry status. If such treatment is contrary to your understanding of your station's carriage status, please let us know within ten (10) business days of this letter. If we do not hear from you in that time, you will be deemed to have confirmed the information in this letter.

Please feel free to contact me at (203) 328-4827 if you have any questions.

Sincerely,
