SECTION A: NEWSCAST OVERVIEW AND QUARTERLY ISSUES ADDRESSED

WRBN-AM airs four local newscasts during its broadcast day, Monday through Friday at 7:03am, 8:03am, 12:02pm, and 5:02pm, following three to ten minutes of world and national news from ABC Radio News. WRBN reports local and area news events and issues on an ongoing basis.

News Treatments: The nominal length of each of our lead or feature news stories described below is between 30-seconds and one minute 30 seconds.

Some of the issues covered in these newscasts and programs during the **Third** quarter are as follows:

1-Public Health

News Treatments: July 2, 6, 8-9, 13, 20, 21, 23, 27, 29; August 3, 6, 11, 18, 19, 24-26, 31; September 1, 3, 10, 14, 24, 28, 30

With the spread of the COVID-19 (Coronavirus) pandemic dominating the news in the entirety of the third quarter, our newscasts informed the public on the spread of COVID-19 at a local level, and provided ways that the community could slow the spread of the virus.

2-Jobs

News Treatments: July 1, 6, 16; August 27, 31; September 1, 2, 10, 17, 21, 28, 29

The third quarter saw an increase in the unemployment rate in Rabun County, with the spread of the COVID-19 pandemic. With many local businesses being shut down, we connected listeners to job opportunities and employment resources including local job fairs during some of our newscasts.

3- Education / Schools

News Treatments: July 1, 7, 14-16, 20-23, 28-30; August 4, 6, 11-13, 17-20, 24-27; September 1-3, 7-10, 14-17, 21

There were several changes to area schools in terms of policies regarding in-person instruction. Throughout the third quarter, schools were ordered to be closed, which caused massive changes to the school calendars as well as the way that school was conducted. We kept the community informed about any and all changes that were made to the local schools' calendars and policies due to COVID-19.

4- Public Safety

News Treatments: July 2, 6-9, 14, 15, 21, 22, 26, 27, 30; August 5, 20, 24, 25, 27, 31; September 1, 3, 8, 10, 15, 16, 21-24

Public Safety was a big concern in the third quarter. With major storms throughout the entirety of the quarter, we kept citizens up to date on hazardous conditions in a timely manner. Flooding and downed trees were a big concern during the third quarter, and we gave updates to road closures, power outages to the public.

5-Poorly Informed Citizens

News Treatments: July 2, 6, 7, 13, 14, 20, 22, 23, 27, 28; August 4, 5, 17, 20, 24, 31; September 1-3, 8-10, 14-17, 22-24, 28, 30

Several changes were made to policies and regulations that affected the listening area, including new regulations on wearing masks and mass gathering limitations due to COVID-19. We provided critical information not necessarily obtained easily for our listeners. This may include election/voting information, government issues, transportation projects, and new or changing regulations. Issues mentioned during our news casts have an impact to Rabun County and its residents, so it is paramount to connect our listeners with what they need to know.

6-Crime / Police

News Treatments: July 13, 14, 16, 22, 27, 28; August 4, 5, 12, 13, 17-19, 21, 24-27, 31; September 3, 8, 10, 16, 22

Our coverage area saw several different examples of major crimes through the third quarter, along with sentencing for earlier crimes. We kept the community informed of the crimes and sentencing throughout the entire third quarter.
