He felt abandoned by God and surrounded by evil powers in Satan's territory. He went beyond panic and thought he was losing his mind and his faith. Why was God silent? He was like Job turned over to Satan to be tested. But he resolved to declare his love for Christ and submit, without God answering his questions. He learned to love and follow Jesus no matter what happened.       |                      |
| Persecution                       | Issues in Education           | 7/17/2021 3:30 PM          | 25:00:00        | Andrew Brunson, author of God's Hostage - A True Story of Persecution, Imprisonment and Perseverance, was sentenced to 35 years in a filthy crowded prison where he felt abandoned by God. He thought he would lose his mind and his faith. But his wife Noreen contacted President Trump to negotiate with the president of Turkey for his release. Brunson wondered why his loving heavenly Father would abandon him, but God used his imprisonment to start a world wide prayer movement for his release and the salvation of Muslims in Turkey. There's a depth of intimacy that only comes through severe testing by God.             |                      |
| Economy                           | Issues in Education           | 07/24/2021 3:30pm          | 25:00:00        | Will our national debt be the downfall of the greatest Republic the world has ever known? In the history of mankind, socialism and communism have not only failed to help the poor, they have slaughtered and starved them. Despite the \$6.4 trillion squandered in the past 12 months, congresswoman AOC wants \$10 trillion more. What did that \$6.4 trillion accomplish? Don Boys, author and educator, wrote the article, Total Collapse of Economy Will Result in Anarchy, says when the shelves at the market are empty, chaos and anarchy result that end in tyranny. | Evolution                   | Issues in Education                         | 7/31/2021 3:30pm                | 25:00:00 | The idea that ancient men were primitive brutes, cave men, is a myth based on evolution that contradicts the Biblical account. Ancient people had extreme intelligence, plus lived hundreds of years, and thus invented amazing things. Don Landis, editor of The Genius of Ancient Man-Evolution's Nightmare, gives examples such as the thousands of pyramids around the world that used massive 100-ton stones fitted together so precisely you couldn't slide a credit card in the joints. In the religious tower of Babel, man rebelled against God and tried to be God. The religion of Babel is still here today.                          |

Critical race theory has angered parents to protest at their school boards. Parent Tatiana Ibrahim blasted her school board for teaching racism. Ben Shapiro says the Marxist revolution didn't work here because the working class wanted upward mobility to improve their country rather than overthrow it. Professor Carol Swain defines CRT and says university Marxists created this fantasy of systemic racism to divide blacks and white. Chris Rufo, Manhattan Inst., debunks critical race theory. Also Sen. Ted Cruz.</u>                 |
| Critical Race Theory, Pt. 2 | Issues in Education                         | 8/14/2021 3:30pm                | 25:00:00 | Critical race theory is Marxism disguised to replace our Constitution with communism. The NEA has allocated millions of dollars to defend critical race theory from opposition. James Freeman, with the Wall Street Journal, says the 1619 Project, says that preserving slavery was the basis of our founding. Chris Rufo, Manhattan Inst., says critical race theory is imbedded in our government; schools and businesses that takes us back to segregation of races. That whites are guilty of racism and need to be overthrown. It's a violation of our system of justice. Jack Brewer overcame racial prejudice through the love of Christ. |

Critical race theory was a wake-up call to parents. Ray Moore President of Exodus Mandate says every church should be a school. The Biblical mandate is for the parents to educate their children. Educator Dr Robert Simonds says the NEA promotes homosexuality and Islam. With 10 churches for every school district, churches should unite to rescue their children from losing the faith in humanist schools. Candace Owens says classrooms have become predatory to children. D. James Kennedy says schools are expert at converting children to humanism. Also Chuck Smith.                      |

Alex Newman, wrote magazine articles in The New American: Rescuing Our Children, says there is a deliberate dumbing down of children using a reading method that's a proven failure to produce a people ignorant of history and functionally illiterate. The founders of public education, Horace Mann and John Dewey, influenced the teacher's colleges so they would unwittingly follow a pattern used in communist countries, to transform America to socialism and communism. Their socialism is working to transform our nation.               |

| Education and Character | Issues in Education | 9/4/2021 3:30pm   | 25:00:00 | Dennis Prager, said, "The one thing people can do to fight against the Leftist destruction of our nation is to take their children out of public schools." Radio hosts Kevin Swanson and Adam McManus say putting a Christian in public school is like playing Russian roulette with their education, their beliefs and their souls. But instead of one bullet, there are 4 or 5 bullets in the gun. Public schools rob children of their innocence and confuse them with critical race theory. Carole Joy Seid, said, "The most effective tool in shaping a child's character is great literature." The right book at the right time can change a child's destiny. |
| Educational Elements    | Issues in Education | 9/11/2021 3:30pm  | 25:00:00 | "Schools make kids dumber," says 17 year-old Eddie Zhong, who started his own successful computer business. "Schools can stunt creative thinking." Education for the masses is not as good as one-on-one. Israel Wayne, author of Homeschooling From A Biblical Worldview, says public schools don't train young minds to think critically to debate both sides of issues, but homeschool does. What is a good education without Christ in every subject? Secular schools make secular students. Education is Biblical discipleship. Dr Raymond Moore, the father of homeschooling, says producing genius in children has three common elements.                    |

| School Choice           | Issues in Education | 9/18/2021 3:30pm  | 25:00:00 | Instead of humanist public schools converting Christian kids to humanism, how about Christian schools taking vouchers and converting secular students to Christ? Milton Friedman, the greatest economist of the 20th century, says, "Choice doesn't take money from public schools but gives the money to parents to use at any school of their choice. Choice improves education by competition." Myron Lieberman says, "Christian schools do a better job for half the cost of public schools." Robert Enlow and Leslie Hiner, say, "Improving education is no longer theoretical but a proven fact through years of choice."                                     |

Nick Vujicic is a best selling author, evangelist and international speaker who has spoken to hundreds of millions of people. Nick Vujicic wrote, "If you can't get a miracle, be a miracle." His disability has given him a unique opportunity to transform lives. He has witnessed miracles like praying for the founder of a human trafficking industry in India as she became healed and a Christian. If he can have purpose and joy without arms or legs, then anyone can. Cuts of Nick speaking at a Christian school and at a state prison in Alabama.                           |
