Local Issues Addressed During the Quarter

The following are some of the local issues of concern in the community. Programs that addressed these issues during this reporting period are listed on the following pages.

ssue/Concern	Brief Description of the local issue or concern
Health	The COVID-19 pandemic affected the lives of every South Carolina resident. During the quarter we addressed the summer COVID surge and the outbreak of Monkey Pox
Safety	Safety information discussed during the quarter included topics like fireworks safety, summer activity safety, keeping families safe, and hurricane preparedness.
Politics	Columbia is the State Capital of South Carolina and there are always political issues to deal with. This quarter, the upcoming mid-term elections, the abortion debate, local gun ordinances, and taxes were top of mind.
Crime	Crime coverage included a local Mall mass shooting, a rash of robberies and even a dog fighting ring. The station always keeps the public informed on crime and crime prevention making sure that our coverage is balanced.
Consumer	The station helped consumers deal with contractor issues, landlord/Tennent issues, affordable housing, and daycare concerns.
Education	Education is always top of mind as parents are very concerned about the quality of education their children are receiving. The start of the new school year and a return to in-person learning dominated coverage along with teacher shortages, and spirited debates at local school board meetings.
