**Episode Nine: *The Space of Time Which Intervened:*** Joseph Smith saw the Father and the Son in the spring of 1820 in answer to his earnest prayer. However, while it may have been the resolution for his personal crisis of faith it marked the beginning of the crisis of persecution that would follow him the rest of his life. This episode of History of the Saints deals with the aftermath of that Vision and what Joseph described as “the space of time which intervined between the time I had the Vision and the year, eighteen hundred and twenty-three.”

### HISTORY OF THE SAINTS

Air Date: Oct 11  
30 minutes

**Episode Ten: *The Years of Preparation:*** September 21, 1823, 17 year-old Joseph Smith Jr. learned from the angel Moroni of the ancient record buried in a hill not far from his home. He expected to receive that record when he went to the hill. He could not have known that it would take four years of instruction and intelligence before he would be able to receive it. This episode of History of the Saints tells the story of those years of preparation.
