Please see her response. We can use the sheet they first sent- we'll just change the dates.

Which NAB form are you looking for? Yes, once we send it, you have it and can use for all flights. We are pretty much sending the exact same NAB weekly.

Do you send out the NAB form with each order? Or are we supposed to use one to cover all of the buys from a particular candidate? Thanks- my Business Manager is asking for the NAB sheets for the orders from yesterday.
