

We were advised by our engineering consultant to upload this document.

Multiple files appeared when creating one QIPR folder for 2023.

This is to ensure that we originally published everything on time, correctly, if deleting the extra files resulted in the original file uploads disappearing.

FM STATION PROFILE

**KCSU-FM** FORT COLLINS, CO  
Frequency **90.5** | RF Channel **213** | Facility ID **62435**

## 2023

- ? Rule 5
- ? Retention
- ? What's in here?

Licensees should upload any additional material that relates to an application filed with the Commission in the folder below that corresponds to the type application at issue.

**Note:** You are uploading documents into an official FCC system. All information submitted will be publicly available via the web. Filers may want to redact confidential or proprietary data before uploading, including customer bank account information.

## Issues and Programs Lists

**?** **Rule § 73.3526(e)(11)(i), 73.3527(e)(8)) for television stations and 73.3526(e)(12)(i), 73.3527(e)(8))**

**?** **Retention** *Until final action has been taken on the station's next renewal application.*

**?** **What's in here?** These are quarterly lists prepared by stations of programs they aired during the preceding quarter that provided the stations' most significant treatment of community issues.

Licensees should upload any additional material that relates to an application filed with the Commission in the folder below that corresponds to the type application at issue.

**Note:** You are uploading documents into an official FCC system. All information submitted will be publicly available via the web. Filers may want to redact confidential or proprietary data before uploading, including customer bank account information.
