CHILDREN'S TELEVISION ACT COMMERCIAL LIMITS CERTIFICATION (LOCAL, SYNDICATED AND RESCHEDULED NETWORK PROGRAMS)

In addition to network provided children's programming carried as scheduled, the following locally-produced, syndicated or rescheduled network programs, which were produced and broadcast primarily for an audience of children 12 years of age and under, were broadcast by this station during the April 1 - June 30, 2008 Quarter.

This certifies that all of the programs listed were formatted (at the times indicated) to allow for no more than 10.5 minutes of total commercial time per clock hour on weekdays, or half that allotted time for an isolated half hour of children's programming. If a half-hour children's program generally containing 5.5 commercial minutes was paired in a clock hour with a non-children's program, the number of commercial minutes in the children's program would have been decreased to comply with the commercial limits.
